Ripley,  
September, 23<sup>rd</sup>

Dear penfriend,

My name is Sandra Watson and I'm 14. I was born on August 10th, 1998 in Derby. I live in Ripley in Derbyshire in a small house with three bedrooms and a lovely garden with my mother and my two brothers. My parents are divorced and my Dad lives in Swanwick Hall, which is not very far. So I can go and see him whenever I miss him. My Dad is a computer analyst and my Mum is a nurse and works in a hospital. My brothers are called Josh and Douglas: Douglas is two years older than me whereas Josh is 11. I really get on well with them even if I think Josh is sometimes a pain.

As you can see on the photo, I have got long wavy brown hair, green eyes and unfortunately freckles! I'm quite tall and slim because I'm keen on sports. I practise basketball in a club with my best friend and I often have matches at the weekend. In my free time, I like watching TV, surfing the net and hanging out with my friends. But I'm also fond of listening to music and my favourite singer is Adele. Do you know her? Over the weekend I often go walking in the country with my family: there are so many nice places in Derbyshire. So I'm rather sporty but I'm not a very artistic person since I don't like either drawing or painting (In fact, I'm absolutely no good at it!). I enjoy reading and I collect postcards. I'm a bit shy but I'm friendly and tolerant.

At home, I've got my own bedroom which is the smallest, but I really love it. We redecorated it last summer and now the walls are purple. My brothers share the biggest bedroom. We have got a big red cat whose name is Tiger and a small dog called Fluffy (he's a French Poodle). After school, I often walk Fluffy but I also have to help Mum with the housework which is quite boring! I sometimes babysit to get some pocket money.

What else can I tell you about myself? I go to Swanwick Hall School by bus. My favourite subjects are history, French and English but I'm not too keen on maths. Later I would like to be a teacher in a primary school because I love children.

That's all for now. I hope you've enjoyed my letter and you'll answer it quickly. Don't forget to send me your email address.

Love from Sandra
